- ◆ **MADE ON MEASURE**
- ◆ **FULLY REMOVABLE**
- ◆ **STARTING IN 10 MINUTES**
- ◆ **INSTALLATION BY OUR SPECIALIZED TECHNICIANS**

THE ONLY ONE MADE IN ITALY WITH THESE EQUIPMENT

INFRARED SAUNA

- ◆ Thanks to the infrared radiant panel, the heating is localized and acts deep down on the hypodermis.
- ◆ Outstanding for soothing muscle and joint pain, indicated in the treatment of bone pathologies.
- ◆ The heat generated by infrared increases blood flow and makes the connective tissue more flexible.
- ◆ Reduces inflammation and accumulation of fluids in the tissues

TURKISH BATH

- ◆ An environment with 100% of humidity and about 40°C in temperature.
- ◆ The high performing heating system allows to reach full saturation of steam in just few minutes.
- ◆ Stimulates sweating and dilation of pores, promoting skin purification of toxins and impurities.
- ◆ Counteracts water retention by improving blood circulation.

AUTOMATIC SANITIZATION WITH OZONE

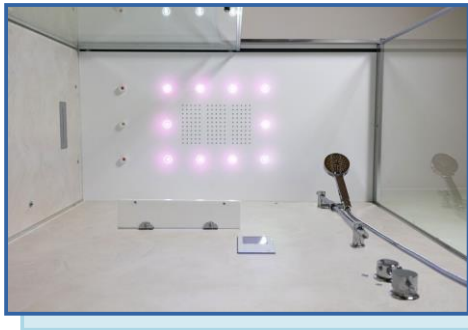

- ◆ Ozone (O₃) is a gas naturally present in the atmosphere.
- ◆ It is generated by transforming oxygen using an electric current.
- ◆ It is a natural disinfectant that eliminates up to 99% of pathogens (viruses, moulds, fungi and allergens).
- ◆ Also used in water treatment, it is safe and biological.
- ◆ After each use, the system starts automatically and after 15 minutes the cabin is perfectly sanitized and ready to be used again..

THE ONLY ONE MADE IN ITALY WITH THESE EQUIPMENT

CHROMOTHERAPY

- ◆ Thanks to the starry sky (10 led spotlights on the roof) the cabin lights up to create an ever-changing atmosphere.
- ◆ The colours can influence positively on our psyche and consequently on our body.
- ◆ "Warm" color cycles have energizing effects, "Cold" ones help relaxation.

FOOT MASSAGER

- ◆ The device helps relieve tired feet
- ◆ The massaging action of ergonomic rollers with the micro-bubbles offer results therapeutic and aesthetic: relieves pain, tension, stress stimulating blood circulation and reduces swellin.
